

Session Descriptions

Literacy For Learning: a look into incorporating reading, writing, listening, and speaking in the classroom

Math: a look into content knowledge through developing mathematical ideas and incorporating writing into mathematics

Technology: a look into integrating technology through the use of instructional strategies, computer based programming, and record keeping, to enhance students' learning experiences

Special Education: a look into supports that provide strategies to include every child to the maximum extent possible in the least restrictive environment.

Setting the Stage for Continuous
Improvement in Teaching
and Student Learning
